

# Patrick Roach

Musician

## WHAT WE BELIEVE

Patrick's sound is authentic and original. Drawing inspiration from daily living, his unique spin on lover's rock reggae with consistent, warm approaches tackle universal topics of motherhood, love, pride for country, with hints of bold outcries against social injustices heard in his 2022 release "Lies."

## Audience Quotes

*"Patrick Roach hits the right vibe, with his soulful lyrics and smooth melody. One of Grenada's rising stars on the reggae scene."*

- Gerry Pop - Music Enthusiast

*"Patrick has shown that he can deliver on stage. I've seen him make small local appearances and the feedback from the audience has been overwhelmingly positive. I think the fact that his music connects with the masses speaks volumes for his creativity and the manipulation of the reggae genre."*

- Ma Clem - Poet

*"Roach's commitment to the reggae genre comes to life from genuine passion for the artform. His soft approach with his single releases has what it takes to compile a strong collection of tracks with subtle yet powerful messages."*
